

Attorney Docket No. RECP:110US
U.S. Patent Application No. 10/815,066
Date: November 4, 2005

Remarks

The foregoing amendments to the claims are essentially formal in nature and per agreement between the Examiner and attorney for the Applicants by telephone interview on November 3, 2005, place the application in condition for allowance.

In the prior amendment mailed to the U.S. Patent and Trademark Office on October 25, 2005, listed claim 11 was inadvertently not marked with the status identifier "(original)" and listed claim 13 was inadvertently marked with the status identifier "(original)", but should have been marked with the status identifier "(currently amended)". The Examiner has been authorized to make the above corrections in the status identifiers of the amendment signed October 25, 2005.

In view of the foregoing, it is clear that all claims are now in condition for allowance, which action is courteously requested.

Respectfully submitted,

Michael L. Dunn
